# Gianna & Autumn

Gianna appreciates a nice female chest as much as the next guy, which is why she invited blonde beauty Autumn over for a good old fashioned lesbo mash-up. Gianna likes to straddle Autumn's face and ride her friend's tongue until she cums hard. Autumn likes to do the same. These two girls play nice together.

Buxom and beautiful Nika is every man's wet dream. Not to mention every woman's plaything. And we won't mention her insatiable thirst for cock and sex in any place that she finds exciting. She told us she once gave her best blow job and hand job on a Ferris wheel, when her car was stuck at the top for an hour.

## ENCORE

This sexy chica couldn't get enough! From the bandstand I watched Lidia's sexy moves as I blew my trumpet. She was by far the sexiest girl at the wedding, and when I asked her to go for a walk with me at intermission, she eagerly accepted. She was 19, carefree, and eager to break away from her strict Cuban upbringing.

Against a brick wall at the far end of the moonlit parking lot behind the firehouse, our mouths met in a passionate kiss and my hands fondled her taut body. A tall, slender girl, she wore a black, sleeveless dress cut short to reveal legs that stretched to infinity. Her jet-black hair streamed in straight lines down her shoulders, and the passion pouring from her dark brown eyes was like something you could swallow.

"Show me how to be a woman," she whispered as she fumbled for the swelling in my pants. "I'm a virgin."

She moved the palm of her hand over the lumped tent of my crotch, and I almost came right then. I glanced at my watch, noting the time, but Lidia's hands distracted me as they unzipped me and dug through the folds of clothes. Slowly, she dropped to her knees, at the same time introducing my swollen cock to the muggy night air.

"Oh, wow!" she exhaled, her eyes glued to my hard-on. "It's so perfect."

Her fingers trailed up and down the length of the shaft, her red nails teasing the crown. Her left hand reached inside my boxers and fondled my balls, judging their size and weight.

"Take it into your mouth," I murmured, as my thoughts of making it back for the second set faded.

She wasted no time. Her plump tongue lathered the tip of my cock, and then glided up and down the shaft. Suddenly, she engulfed the entire head and several inches of the shaft into her hot, wide-lipped mouth. I groaned and held her head, my fingers entwined in her shimmering black hair. As her head bobbed, her tongue danced like the flames of a fire, tweaking the underside of my cock with blurring speed. As I gasped and gritted my teeth, it was a minor miracle I didn't immediately erupt into her voracious mouth. I finally had to pull away.

"Mother of god!" I said, trying to catch my breath. "Are you sure you're a virgin?"

IT'S CRAZY INSIDE YOU SHOULD SEE ALL THESE BIG BOUNCING BOOBS THEY'RE BOOBYLICIOUS
ADULTS ONLY

Hey busty babes,

My wife and I are huge fans of big boobs. While she is a full D cup, we're enamored with DD and DDD cup ladies. There's just something to say about women who wear their large breasts with ease and comfort. That especially means those willing to take their clothes off for the camera. That's real confidence. My wife and I have talked about her getting an enlargement herself, but bottom line, she is just perfect as she is. If you're with a woman who is well-endowed and wants to make them bigger, ask her to reconsider, unless she intends to make money with her boobs.

*– Frank and Louisa, NYC*

Her teeth gleamed like Chiclets. "I never said I didn't go down on anyone before, Señor. But the rest, yes, it's true."

My hands were shaking as they moved down her sleek, bare shoulders. My cock throbbed visibly in the night air, shiny from her saliva. I slipped the straps of her dress down her arms. She was braless, and in the light of the moon, her nipples gleamed like chocolate. They rose slowly as I suckled each tit. Soon the twin nubs were engorged and jutting out like baby birds seeking sustenance.

Half-crazed with lust, I dropped to my knees and lifted her skirt. She was wearing a white thong, which I nearly tore in two removing. I gazed up at her pussy, my cock bulging painfully, oozing pearls of pre-cum. The dark pubic hair flared upward in abundant glory, as if she had combed it that way. Her dark pussy-folds glistened with moisture. When I spread them, the vivid pink insides looked even more enticing.

I let my tongue roam, licking her lips, her hair, the swelling bud of her clit. Years of musical practice had given my tongue and lips dexterity far beyond the norm, and I called on all my skill to pleasure her. Soon she was gyrating her hips, biting on her hand to muffle the orgasmic cries in her throat.

Still, I heard people walking in the distance. "Get down," I said, pulling her next to me.

Now she was kneeling, her perky brown ass beckoning me, the deep, hairy cleft between her soft globes sparkling with the sheen left by my tonguing. It was futile to try to hold back any longer. My cock controlled me now. I mounted her like a stallion, driving forcefully into her dripping dampness.

"Oh god!" she gasped as my cock bored into her depths. It stopped drilling only when my balls mashed against her ass-cheeks. "It feels wonderful!"

She rotated her ass back against my prong. Her pussy was like a furnace, a heated glove of soft pink membrane that clasped and squeezed, inhaling my cock deeper into her core. With my hands clenching her smooth brown ass, I began to pound her wildly. The sight of my oiled cock pistoning in and out of her blossoming flaps was the most erotic thing I had ever seen. Her futile attempts to swallow her cries of passion added to my general feeling of sexual abandon. I didn't care if the entire wedding party saw us. There was only my cock and her pussy, and the urgent need to explode my seed into her.

*I let my tongue roam, licking her lips, her hair, the swelling bud of her clit. Years of musical practicehad given my tongue and lips dexterity beyond the norm...*

I tried to stave off the inevitable, but when my time came I was nearly incoherent. My cock emptied into her, shooting spurt after spurt of copious fluid into her spasming pussy. That incredible climax left me shaking and breathless.

When I oozed out of her hot, well-stretched pussy, I wiped the sweat from my face and gazed at my watch. "Shit! I have to go catch the rest of the set!" I said. But when I started to dress, Lidia grabbed me and pulled me back down next to her.

"What's wrong?"

"You wouldn't leave without an encore, would you?"

## ANGELA ROCKS

The other day I was thinking about this chick I saw in your last issue and I had to sit and write this down, If I send it or not I'll decide after I finish it. Angela White has to be the baddest sex freak I've seen in a while - Adrianna Chechik, that is. Her creamy skin got my mouth to watering and my dick to hardening. Her boobs are near perfect for me because I'm a huge big boob fan.

I'm sure I probably would never meet her or have a chance to fuck her, but man if I did she wouldn't want anyone else. First I'd take her clothes off to find she don't wear underwear. She knows I'm a man that wants to get right to it. From her big boobies, I go right down for the pussy. My mouth would suck it all in. Her wet juices gettting all over my 'stache. I'd lick her, suck her clit and maker cum. Don't need no fingers to do the job, my tongue can handle it. After she cum on me, then I kiss her mouth and make her suck her sweet jucies from my 'stache. That way she can taste what I was tasting. I write this cause I know she want it from me. I'm done, man and I'm sending you this letter.

*– Irwin, Tennessee*

## MORE ANGELA

Where in god's earth did you find Angela? She is the wildest thing ever. What a great butt on that babe, and she's got the bestest boobs that is just the biggest turn on. I think I fell instantly in love with her the moment I saw her on the cover.

The inside photos were just right. It's nice to see a girl like her actually enjoying sex. I mean really enjoying sex. She showed me enough to want more. Are we going to get more of Angela? And when? I gotta know.

*– Roy, Georgia*

## AND MORE

I think I went to college with the girl on your cover, Angela, but that wasn't her name then. I remember that cute sexy smile but her butt didn't seem that nice back then. And those breasts. Yes, I cannot forget those boobs of hers. Amazing! How can I find out if she was my classmate? My friend Jim, who went to college with us at the same time, says it isn't her, but I think it is. She was about five foot four and had big boobs and a short dark hairdo. But she could have grown into a much larger chest. I'm looking at the yearbook now as I write this letter and I'm conviced it's her.

Sex makes me smarter. When I was in college, I would struggle with my classes and my grades. This made me sad because I really tried. It's not that I was stupid, I just didn't get some of the subject matter. That's when I discovered that sex made me feel better and helped clear my mind. The more sex I had, the better my grades!

I bet you are getting hard just seeing them. Then you would have to do something about it and I would be there just to help you. I would take your hand away from your cock and replace it with mine and put it on my breast. I'd take that hard cock of yours and guide it into my wet pussy. Push it deep inside me and I'll be screaming to make me cum, and you do.

My boobs lead the way when I walk into a room, then the rest of me follows. I know I can make that type of an impact because I tend to ooze out a high energy sexuality. And yes, I like to dress sexy and talk sexy. But you know what? I got the boobs and chops to back it up. My sexual energy is apparent with a good fuck. Like this one.

# BICYCLE BANG

## He and his horny neighbor ride bikes together — and each other

Our bicycles were forgotten; they lay in a heap on the ground. Gayle's legs were wrapped tightly around my waist. Her hips pumped wildly back at my every thrust. Her pussy was so tight, so wet, and so hot. Better than I'd ever dreamed.

And I'd been dreaming for a long time. We'd lived on the same street for years. She and my wife are good friends. Her husband travels. So we don't have much in common as a couple.

Gayle is the sexiest woman in the neighborhood. Every time she cuts the grass in shorts and halter top, she has every guy on the block watching, with a stiff dick.

Until recently, I had very little contact with Gayle. I'm pushing forty and getting flabby around the middle. I tried jogging, but my old legs hurt for a week afterward. So I switched to a bicycle for exercise. I began riding every evening for an hour or so.

It was the second week that I discovered that Gayle was a bike rider too. It wasn't long before we were riding together and chatting like old friends.

I'm not sure why, but I never told Jessie (my wife) about my new riding partner. It was innocent. All very public. All we did was talk as we rode. But in my fantasy world, she quickly became very important.

Every time I had sex with Jessie, I was mentally fucking Gayle with my stiff dick. Just imagining her round, soft body underneath mine had me moaning, groaning, and coming like I haven't done in years. Jessie really got off on my new enthusiasm for sex. Suddenly, she was having more and better orgasms than ever before. I found myself wishing I could thank Gayle for the improvement in my sex life.

Gayle got sexier every time I saw her. Those deep, green eyes smolder with hidden lust. I knew in my heart that her husband wasn't around enough to satisfy her. He was only home on weekends.

Usually she wore slacks and a blouse. All very modest. But as the summer wore on, she seemed to wear less and less. Still, I don't think anything would have happened between us if she hadn't worn that outfit.

Finally one afternoon, she showed up for our ride in what she called hot pants. It was a denim short with rolled up cuffs making them even shotert. Just the words hot pants, had my imagination going wild.

*Every time I had sex with Jessie. I was mentally fucking Gayle with my stiff dick.*

By that time we were on good enough terms for her to kid me about them. "I've had hot pants a lot longer than I've owned this dress," she exclaimed as we rode.

"I'll bet." I shouted back and passed

her, daring her to race me up the hill. She is much faster than I am and soon passed me like I was standing still. The wind blew the short skirt right up.

Were it not for the shorts, it would have been quite a sight. I told her as much when we stopped to catch our breath. "I don't always wear the shorts with it," she blushed. "One of these days you may get a surprise."

It was late and we ended the ride. That evening, my cock stayed half hard all evening. I couldn't get the picture of Gayle in that outfit and no shorts out of my mind. Jessie was at a PTA meeting. There was no chance for relief. So I took a long shower and jerked off as I imagined myself fucking Gayle.

The next day, at work, I couldn't concentrate. The day dragged by. How I wanted her to be wearing that outfit the next time we rode. As luck would have it, I was not to be let down.

The next evening, we rode for about two miles before Gayle pulled her bike off of the road behind some trees. It was cool and shady there. I pulled in behind her. "What's wrong?" I asked, since it is unusual for her to stop. I'm usually the one to insist that we stop to rest.

"My seat," she replied. "It's loose. Can you take a look at it?"

I propped my bike and walked over to take a look. I put my hands on the front and back and wiggled it from side to side. It wasn't loose. But the front part of the bicycle seat was warm. And covered with something slippery. It was from her hot pussy. I couldn't believe my luck. There were no shorts under the hot pants. Sweet Gayle had been rubbing her hot, wet cunt up and down that seat and she wanted me to know it.

I put my head closer to inspect the seat bolt. The aroma of her fresh sweet pussy filled my head. I was dizzy. My prick was bone hard. I couldn't tell if she knew what was happening to me or not. "It's tight," I mumbled, my face still close to the slippery seat.

"I've got on the hottest pants of my life.

I'm hot for you." She pulled my hand to her pussy as she spoke and it was wet. So ready. My knees were weak. "See?" she whispered.

Once my hand was between her parted legs, there was no stopping me. I had to have her, no matter the cost. I let one of my fingers slip into her tight channel while my thumb teased her swollen clit in broad daylight. We must have stood there like that for ten minutes, my fingers driving her wild. She was like a tigress, humping my hand like crazy. She was going to come. I could sense it. I wanted to finger her to a mind-blowing orgasm.

It wasn't long before I got my wish. Her body began to quiver and shake. Her breath came in gasps. She locked her legs, trapped my finger deep in her hot snatch, and pumped her ass like crazy as she came again and again.

I stood there, my dick ready to burst, and enjoyed the feeling of power. Even on our honeymoon, my wife never reacted like that. Wow, Gayle sure knew how to come.

When finally she came back to earth, she flopped down on the ground with her back against a tree. Her bike had fallen over and crashed into mine. Neither of us bothered to pick them up. I only had one thing on my mind and it was between

*It was maddening to watch her ride and know that her sweet, wet pussy was being rubbed by the bike seat instead of my tongue.*

Gayle's long, lovely legs.

I sat beside her and let her rest her head on my shoulder while she recovered. She confessed that it had been the first really good orgasm she'd had in months. Ronnie, her husband, was too tired from traveling to satisfy his beautiful young blonde wife.

How could a guy stay out of town with a hot-blooded chick like Gayle at home waiting for him? I knew I couldn't. I was ready to risk all and fuck her in the park.

Fortunately, Gayle had better sense. Her hand toyed with my stiff dick while we talked. She admitted that she wanted me as much as I did her. But she insisted that we go to a place more private. We climbed back on the bikes and began our search for a safe place. It was maddening to watch her ride and know that her sweet, wet pussy was being rubbed by the bike seat instead of my tongue.

Finally, in desperation, we pulled into a gas station. I pretended to put air in my tires while she got the key to the ladies room. She winked and waved for me to follow as she rounded the corner of the station. I can't believe I did it, but I actually went into the ladies bathroom as I followed her swinging little ass. It was very small, one stool and a sink.

She turned around as I closed and locked the door. Our bodies were pressed together. Her nipples were already hard. They pushed eagerly against my chest. My hard cock rested between her parted legs.

She pulled her dress up and unzipped me in a flash, while she explored my mouth with her hot tongue. Even though she had come only a few minutes before, she seemed like a woman who had been without sex for years. And I was going to cure that for her in a hurry!

She was light as a feather as I put my hands around her tiny waist. Without breaking our kiss, sat her up on the sink. She threw her legs wide open and gasped as I sank my hard dick into her steamy cunt in a single thrust. I managed to pull her blouse open and freed those mouth-watering tits from her bra. The sensation was unbelievable, her soft, sweet tit in my mouth as our bodies humped in perfect unison, in the tiny, hot bathroom.

My staying power surprised me. I must have pumped my rock-hard dick in and out of her steaming cunt two hundred times as she had orgasm after orgasm. She was a shivering, squirming, writhing mass of hot female flesh before I finally lost all control and rammed my cock deeply into that tight hole, and spurted my hot jizz against the velvet walls of her cunt.

We stayed in that position until my prick shriveled and slipped out with a loud plop. She laughed and teased me as it did. We managed to sneak out of the ladies room unobserved and quickly mounted our bikes and rode home.

I always believed that my wife would know instantly if I ever had sex with another woman. But other than being steamed about my being an hour late, she couldn't tell any difference. She seemed even more responsive than ever that night as I relived that wild bathroom fuck, with my hard cock deep in her pussy.

I love the new arrangement. Gayle and I ride together every other night. Only now we don't use those bikes for anything other than transportation to a good place to fuck. My wife fills in later at night or in the morning. Between those two women, I'm in the best shape of my life.

Who says life doesn't begin at 40?

# Candace Von

Nature has blessed me with incredible assets. My boobs are bountifully big, and I have a great butt, too. I know that these are a huge turn on for you guys, and girls. And I know I have a pretty face. Now you can see how all that cums together for great sex. I think I'm pretty good and, so far, not a single complaint. So dream on guys.

# Shay Laren

The best part of waking up in the morning is to stretch and run my hands down my chest to wake up my breasts and nipples. A squeeze and a pinch and they're ready to go. Today, I'm trying on some new lingerie I bought and it feels so nice. So if you're not busy later, come over later and feel it for yourself.
